

The Bracebridge Chamber of Commerce Email Broadcast Service

The email broadcast service is an excellent way to *get the word out* to approximately 500 business email contacts about anything from a new product or service, move to a new location, a special event, etc. Your single page flyer can be sent out to the Chamber email subscribers list on the date of your choosing!

We have experienced positive feedback from businesses who have taken advantage of this service, and many use it over again.

.... wanted to pass along a big thank you for helping us with the furniture ad – we sold every piece!

Kendra Mitchell, Edward Jones

.... very pleased with the results of our advertising email for the up-coming first aid and CPR session. Program has been "sold out" since New Years. Thanks for your efforts.

Roger Martin, MediFacts
